### WORLD'S FAIR

We are glad to announce that Gen. Davia has been made general-in chief of all forces, and from now may look for a speedy completion of all unfnished work. The weather has been rather het the or sight seeing, but atill those who the has tween much. Amole preper invited in the contract of the contract o for sight seeing, but still those who mind the heat very much. Ample presponding the heat very much. Ample presponding the heat very much. Ample presponding the heat, or otherwise disabled, to don't worry yourself sick, thinking, "what shall I do, if I become ill." The hospitals within the grounds were established first, with that object in view, and second, as an object in view, and second, as an of treatment, now in every day practice.
